Plexus Becomes a Full Member of Electronic Industry Citizenship Coalition

NEENAH, WI, October 24, 2016 – Plexus Corp. (NASDAQ: PLXS), a leading engineering, manufacturing and aftermarket services provider, today announced that it has been recognized as a Full Member by the Electronic Industry Citizenship Coalition (EICC). With more than 100 members, the EICC is the world's largest coalition of electronics companies that actively seek to improve the rights and well-being of those involved in the industry's global supply chain.

Plexus joined the EICC as an Applicant Member in 2014. Over the past two years, the Company has made great strides to expand its social responsibility program by adopting the EICC's Code of Conduct and enhancing internal practices. Plexus requires major suppliers to adopt the EICC Code of Conduct, furthering the positive impact the EICC has made throughout the electronics industry supply chain.

Todd Kelsey, President and Chief Executive Officer, commented, "I am proud of the work that Plexus team members have contributed over the past two years to achieve full EICC membership. Plexus' ability to provide industry-leading service to our customers is enhanced by this accomplishment. Our membership gives customers confidence that we are dedicated to ensuring ethical labor practices, improving employee health and safety and maintaining environmentally friendly practices, both within our organization and across the industry."
